**Rules for the administration of "Malnad Scholarships.**

The following rules regarding the constitution and working of Committees for the administration of "Malnad Scholarships" are published for general information.

1. (i) The Malnad scholarships will be administered by committees the members of which will hold office for two consecutive years. In the case of a vacancy occurring in any of these commitees within this period owing to the absence of a member from three consecutive meetings or any other cause, the Inspector-General of Education will appoint a substitute.

(ii) Each Committee shall consist of a Chairman and a Secretary with three members who will ordinarily be chosen from among the local residents. Three members will form a quorum.

The Secretary will notify all recognised schools of the different grades in which the scholarships to be administered by the committees are tenable, announcing the latest date for the receipt of applications.

He will fix in consultation with the Chairman, the date, hour and place of meeting and make all necessary arrangements for conducting the same.

He will maintain in a bound book, a record of the minutes of each meeting. He will also keep a register or tabulated record of all applications received and scholarships awarded.

He will also submit through the Chairman not later than 31st August, an annual report as to the administration of these scholarships, giving full information as to the number of students who applied for scholarships from each school and the number and names of those who were awarded scholarships in the Middle and High School classes separately.

These scholarships are allotted as follows among the three Malnad Districts of Shimoga, Hassan and Kadur.

| | High schools No. of scholarships | Rate p.m. | Middle schools 2nd, 3rd and 4th year classes | Rate p.m. |
|---|---|---|---|---|

| Hassan ... | 2 | 6 | 8 | 4 |
| Kadur ... | 2 | 6 | 19 | 4 |

The distribution of scholarships between the three Districts may be modified by the Inspector-General, with reference to the number of students from the Malnad part of the District reading in High and Middle Schools.

These scholarships are tenable by students of all castes and communities—both boys and girls—who are natives of the malnad tracts only. (A schedule of Malnad parts is annexed). Among natives of the Malnad, in the award of scholarships the main consideration should be the applicant's diligence, regularity of attendance, progress in studies and poverty.

The students should apply for these scholarships, in the form appended hereto, to the respective Committees through the Heads of the institutions in which they are reading, with necessary certificates and full particulars as to their place of birth, etc., so as to reach the awarding authorities not later than the 1st July.
